### The Oncation of the Legality of the Action of the Board in not Allowing Another Po. liceman to be Tested.

A meeting of the police commissioners was held last night in answer to the Mayor's call. Councilmen Durward, Campbell, Lippert, Prindiville, Mayor Thomas and Chief Gage

The chief stated the object of the meeting to be the the making of a for- and choice goods and much cheaper mal demand on the board for the appointment of an additional policeman, which he proceeded to make in the form of a motion which was seconded by Prindiville. The motion was defeated by a tie vote. Yeas, Campbell, Prindiville and Gage. Noes, Durward, Lippert and Thomas.

The question of whether the law is mandatory or not will now be de ided in the district court, as it is understood that that the chief of police will push the matter. Another phase of the question is the rumor that a bill to amend the clause relative to the appointment of policemen, leaving it discretionary with the board, will be introduced in the House at once and settle the question without waiting for the court to decide the case.
